Type: ROUTINE INSPECTION
Date: Jan-11-2015

This was a focused inspection of the Direct non-compliant items cited during the 6-9 January 2015 inspection.

*** At the request of the licensee, the Attending Veterinarian visited the facility on 8 January 2015. During this visit, Direct non-compliances under Section 2.40 were discussed. The Attending Veterinarian provided recommendations regarding the most critical issues and is preparing an action plan to address all remaining issues.

*** The guinea pigs have been moved indoors to a heated facility.

*** The camel and Blesbok have been provided with adequate shelter.

*** The bears have been offered food and water.

*** During the inspection the licensee stated that he has discussed primate handling with current facility staff. A squeeze cage was observed at the facility during this inspection. Primate handling will continue to be evaluated.

No non-compliant items were identified during this inspection.

An exit briefing was conducted with the licensee.
